ONTAP 9

问题

Andu 失败并输入以下条目：

```
Sun Apr 19 18:23:35 +0000 [cluster1-02: upgrademgr:  
upgrademgr.update.pausedErr:error]: The automated update of the cluster has
```

been paused due to the following reason: Node "cluster1-02": Error: {Waiting to reach takeover state.}, Action: {Use the "storage failover show-takeover" command to view the takeover status.}.
