适用于

- NetApp ONTAP 9
- 在 2025 年 9 月 9 日之前发布的 ONTAP 版本

问题

在使用 `system node image update` 命令进行 ONTAP 升级期间，将出现以下错误：

```
Install failed.
```

```
Failed to verify the signatures of the image. The image might have been
```

corrupted. Replace the image, and then try the command again.
Error: command failed on node "cluster1-01": Install failed. Failed to verify the signatures of the image. The image might have been corrupted. Replace the image, and then try the command again.
