

由于新节点使用了重复的 IP 地址，StorageGRID 扩展失败

https://kb-cn.netapp.com/hybrid/StorageGRID/Maintenance/StorageGRID_Expansion_fails_due_to_du...

Updated: Wed, 15 Apr 2026 22:49:12 GMT

适用于

StorageGRID 11.7

问题

扩展停止/失败，出现以下错误：

```
Error while generating the grid configuration. Unable to connect to <NODENAME>  
on port 22: Connection refused - connect(2) for <IP address>:22
```

StorageGRID Expansion fails due to duplicate IP addresses used for new nodes
