适用场景

- ONTAP One许可
- ONTAP 9
- FAS/AFA系统
- 安装了非ONTAP One NLFS

问题描述

尝试从System Manager安装ONTAP One NLL软件包时、收到以下错误：

- SystemManger：

```
"An error occurred while installing package <package name> with serial  
number <node SN>"
```

- MWD :

```
ERR: license_mgmt: is_lic_installed_as_other_type:src/license_mgmt/  
license_mgmt.cc:255  
License <License> with Type capacity is already installed with Type  
enabled for host_id <Node SN>
```
